## STATEMENT

**MCA Wamba North**, (hon. Lentukunye): Thank you Mr. Speaker am worried that I am supposed to response to the statement sought by honourable Lentura, regarding the state of the roads in his ward. Mr. Speaker I did request to give my response on Thursday, that is tomorrow and also the chair ruled that I give my responses on Thursday, so I still request to give my statement on the same day.

**Deputy Speaker** (Hon. Lenyasunya): Ok, you are allowed. Hon. Leshoomo

**MCA Lodokejek**, (hon. Jerias Leshoomo): Thank you honourable Speaker, on the issues of the roads that was asked by hon. Letura, in fact we really need comprehensive statements on the ongoing roads grading that were carried during the last financial year. I know in my ward there two roads that were not completed,

the work has been done half way. I don't know if the suppliers had been paid or not. So it's good that hon. member will include the states of the completed and ongoing roads in his statement, thank you.

**Deputy speaker** (hon. Lanyasunya): The statement was specific and was asked by hon. Raisy Lentura, if the chair will be able to have enough time to compile the data of all the roads then that would be fine but if he is only able to bring the one as Hon. Letura then you have a deal to ask another statement that will now mandate him to bring a whole report, Hon. Chair.

**MCA Wamba North** (Hon. Christopher Lentukunye): Thank you Mr. Chair, I would wish to request the Hon. Member to bring a separate request for statement so that we can deal with it separately.

**MCA Lodokejek Ward** (Hon. Jerias Leshoomo): Thank you Mr. Speaker, I do not think that it is necessary for us just to bring a statement on my ward, we are serving this County as a whole and if you have a problem we would all want specifically to rewrite the completion. I think it is necessary for the Hon. Member to brief to this house the status report of the roads in these wards, not only in my ward, maybe there are Hon. Members in this house who are facing the same problems in their wards.

**Deputy Speaker** (Hon. Adamson Lanyasunya): Let me just rule that, because the notice is too short, because if you...Hon. Lemulugo.

**MCA Angata Nanyokie**, (Hon. John Lemulugo): Thank you Hon. Speaker, as the Hon. Member for Lodokejek has just put it, I think that it is very awkward that we are bringing statements every time to ask about the wards and I think that my very able chair for roads in which I am also a member that maybe it is good as we respond to the statement that we can also make the report of our department whereby we can ensure the whole wards complete and going so that we can have it in the whole future, thank you Mr. Speaker.

**Deputy Speaker** (Hon. Adamson Lanyasunya): I would rule this way Hon. Chair for roads, if you have time to bring all the information you can tomorrow, but just bring as per Hon. Letura's request, and after that you can get the whole report because I think that the progress report from the department entails all the status, so at a later date you will bring a comprehensive report that would address the status of the roads in the whole County.

**MCA Wamba North** (Hon. Christopher Lentukunye): Thank you Mr. Speaker that is also my feeling...
