

SAMBURU COUNTY ASSEMBLY

THE HANSARD

Wednesday, 25th March, 2015

The county assembly met at the county assembly chambers at 8.30 a.m.

(The county assembly deputy speaker (Hon Lanyasunya) in the chair)

PRAYER

STATEMENTS

STATEMENT OF AVAILABILITY OF STATEMENT TRACKERS.

Majority Chief whip, (Hon Leitore): Mr. Speaker I am rising to be informed of the statement tracker and chairs could like to be given copies of that statement tracker so that they could be informed of when to respond on the pending statements because the information is only available to the clerks and it is not available to the respective chairs.

Deputy Speaker, (Hon Lanyasunya): Thank you, the statement tracker is available and I will instruct the clerks to supply it to the members. There was a statement number **0112/2015** by hon. Jeiras Leshoomo directed to the chair Environment and Natural Resources which is expected to be answered tomorrow **2.30 p.m.** but as you have said we will be furnishing members with the statement tracker. Hon Leitore.

Majority Chief Whip, (Hon Leitore): I also rise for the second time and this is because of the concern of the members. We know very well that we have a number of pending bills and we are not seeing the progress of the pending bills being brought to this house for discussion and approval. So this is a concern and I know the speaker wrote SMSs to the members that we are lagging behind and up to now we are seeing nothing being done in order to dispose those bills. Secondly, Mr. Speaker and this is for the welfare of the members and I am actually concerned with the welfare Hon Lelenkeju will also put some impute here as members are not given appropriate welfare in terms of finances...

Deputy Speaker, (Hon Lanyasunya): Hon Leitore you are out of order in that statement issue. While you were away for the Pic and Pac workshop in Nairobi, the members present deliberated on various bills and we passed the Agricultural Machinery Bill and County Assembly legal officer was in Nairobi to make sure that the bills are published so you will also get these details from the House Business Committee which we made in sequence and we checked last week if there are any bills that were pending then to be introduced to the House today. So I think that is already addressed, hon. Eli Loldepe.

MCA Maralal Ward, (Hon Loldepe): Thank you Mr. Speaker, on what hon. Leitore has just said, sometimes back there was a statement sort by hon. John Lemulugo on the villages, actually on County Government Coordination Bill. I don't know if this was passed last week but I am aware that the bill went for public participation and it was to be tabled by the majority leader. So I need your guidance because it is like everything went quiet and we do not know what has transpired last week but that statement is long overdue and the bill is also long overdue. We need your guidance Mr. speaker, thank you.

SCA /182/ 3/ 2015 (3) SAMBURU COUNTY ASSEMBLY DEBATE 1

Deputy Speaker (Hon Lanyasunya): Let me follow up the aspect of bills and then we will communicate in the afternoon. Hon. Members, the time being **20** minutes pass **10**, the house stands adjourned until tomorrow at **2.30 p.m.**
