COUNTY ASSEMBLY OF SAMBURU

SECOND ASSEMBLY

(FIFTH SESSION)

No. 002/2021

COMMUNICATION FROM THE CHAIR ON THE HISTORIC SITTING
OF THE COUNTY ASSEMBLY IN SAMBURU EAST SUB-COUNTY ON
MARCH 9TH - 11TH, 2021, WAMBA

Honourable Members,

I welcome you all to Samburu East Sub-County specifically wamba town for this auspicious sitting of the County Assembly of Samburu. I wish to sincerely thank the people of Wamba and Samburu East at large for their friendly welcome and the hospitality extended to us.

Hon. Members

One of the most fundamental provisions of the Constitution of Kenya is the devolved system of government which aims at bringing services closer to the people as a means of accelerating development and enhancing collective responsibilities. A core creation of the Constitution of Kenya is the County government consisting of the County assembly and County executive. In accordance with Article 185 of the Constitution the legislative authority of a County vested in and exercised by, its County assembly. A county assembly may make any laws that are necessary for, or incidental to, the effective performance of the functions and exercise of the powers of the county government under the Fourth Schedule.

In recognition of the above the County Assembly business committee on 16th February, 2021 resolved that a sitting of the County Assembly be held away from

the traditional premises in Maralal town, in Wamba Samburu East Sub-County as an innovative way of enhancing public awareness on the roles and operations of the county assembly as a legislative arm of county government.

This unique sitting is expected to among other things;

- I. Hold public hearings on key proposals
- II. Give an opportunity to the members of the public to interact with members of the county assembly and present their issues for better representation in the county assembly
- III. Promote the work and role of the county assembly and to highlight existing opportunities for people to get involved to achieve greater public engagement

Honourable Members,

Through this “*Bunge Mashinani*” initiative, the County Assembly is making its contribution towards nurturing a larger and more inclusive public engagement in the management of public affairs in our county. In the next 2 days, various legislative activities that have been lined up including Plenary, Committees’ meetings and public participation fora, which are a key pillar of our Constitution; will accord the public a special opportunity to actively engage and participate in the Assembly legislative business. This extraordinary County Assembly sitting therefore provides a unique opportunity for us to engage, harness all our diverse efforts to make our county better; let us engage in open conversations on what needs to be done to achieve prosperity even as we strengthen our institutions of governance. Going forward, the Assembly will seek to draw valuable lessons to further enrich and improve subsequent sittings because we believe that County Assembly holds the potential of directly identifying and addressing the people’s tribulations, revitalizing hopes and aspirations, as well as deepening a democratic, consultative and participatory governance tradition.

Honourable Members,

I now wish to acknowledge the presence, in the Speaker's Gallery, of invited dignitaries who have joined us for this historical and memorable occasion of the County Assembly sitting in Wamba Samburu East Sub-County . I request each one of them to stand when called out so that they may be acknowledged in the Assembly tradition. They are:

1. Hon. Maison Leshoom Mp, WR
2. Hon. Jackson Lekumontare, Mp MP Samburu East
3. Sub County Commissioner samburu East

I once again thank the leadership of samburu East, area MCA, MP and Sub County commissioner and the greater people of samburu East for warmly receiving us and facilitating our sittings here.
