3. Notice of motion

THAT, Early Childhood Development Education (ECDE) is the bedrock and foundation of all learning in the life of any child. There is a very close relationship between Early Childhood Education and schooling completion rates. Noting that Article 43[f] of the Constitution says that every person has a right to education; 53[1][b] every child has a right to free and compulsory basic education;

FURTHER AWARE THAT. Article 56 [b] the state shall put in place affirmative action programmes designed to ensure that minorities and the marginalized groups are provided special opportunities in educational and economic fields.

COGNIZANT of the fact that the county government constructed more ECD centres across the larger Samburu County, and **FURTHER AWARE THAT** the Court halted any further employment of ECD teachers by the county governments, the County government of Samburu should therefore employ ECD care givers to help in the situation to prevent the closure of ECD centres as we await theresolutions on this.

THAT, The County Government need to rise up to the expectations and aspirations of the people of Samburu by addressing urgently the challenges realized by the devolved

pre-school management on seize the opportunities brought about by devolution to meet the needs of the ECDE fraternity. This will go a long way to realize the importance of ECDE to the development of our society

I wish to give a notice of motion that this house debates and approves the report of the Committee on Co-operative Development, Trade and Tourism regarding the Maralal Safari Lodge Lease Agreement
