

COUNTY ASSEMBLY OF SAMBURU

THE HANSARD

Thursday, 13th February, 2020

The Assembly met at the County Assembly chambers at 2:30 p.m.

The Speaker, County Assembly of Samburu, (Mr. Lempere Solomon) in the Chair

PRAYER

COMMUNICATION FROM THE CHAIR

The Speaker, (Mr. Lempere Solomon): Hon. Members, I wish to take this chance to welcome all the Members to the fourth session of our County Assembly. We had a long recess, from December to yesterday when we opened.

I wish to ask the Members that we be committed to doing our jobs and our constitutional roles of oversight, legislation and representation. We have a few pending Bills and some are with the Committees. We have the Bill for Frontier Counties Development Council (FCDC) that is yet to be approved by this House despite the timelines we were given last year. We have a few more that we are going to communicate in course of our session.

We need to enhance the oversight roles of the respective Committee; we all know that the work that is going to be done in this County is dependent of the respective sectoral Committees and if the Committee is sleeping then nothing is going to be done. If the department is not absorbing the Budgets approved by this House, the first responsibility is on the respective sectoral Committee, any misuse of funds in the Department, the first responsibility lays with the oversight body which is the Assembly through the sectoral Committee, therefore I ask Members to enhance their roles of oversight through the Committees. I wanted to point those out as we engage going forward.
