QUESTIONS AND STATEMENTS

MCA Maralal Ward, (Hon. Fred Kiragu): Thank you Mr. Speaker. I wish to stand on a personal Statement and seek the condition of our mortgage loans if they are insured since there is a rumors that is going on like for our late colleague that he vehicle maybe sold to cover the mortgage loan balance. Are they covered in cases of misfortunes? Thank you Mr. Speaker.

MCA Loosuk Ward, (hon. Adamson Lanyasunya): Thank you Mr. Speaker. I do not stand to respond but I think that is a very pertinent issue raised by hon. Kiragu; I do not think the Standing Orders allow Statements that are not written but I would advise if the Member could present it as written so that we can commit to the Committee on Labor, thank you.

MCA Wamba East, (hon. Benjamin Leitore): Thank you Mr. Speaker. I think that is a very important concern raised by hon. Kiragu. When we passed our regulations on the Mortgages there is an oversight in insurance. This calls for review on the regulations in terms of insurance when such cases happen and fortunes happen like the recent one. There should be a cover so that the burden does not go to the family. It should be addressed urgently.

The Speaker, (Mr. Solomon Lempere): Thank you. This should be addressed by the board even though we currently have a regulation on the insurance which has never been implemented.

Hon. Lanyasunya is the Chair of the Mortgage Committee and without necessarily having a response through the House can organize a session with our Members so that we go through the regulations to see where the lapses are here and there, thank you.

MCA Loosuk Ward, (hon. Adamson Lanyasunya): Most obliged Mr. Speaker.

Hon. Members, the time being four minutes past three o'clock and there being no other business this Assembly stands adjourned until Wednesday 2nd September, 2020 at 9:00 am.
