Hon. Speaker, Article 185 of the Constitution of Kenya, 2010, provides that the Legislative Authority of the County is vested in and exercised by its County Assembly. A County Assembly makes any laws that are necessary for effective performance of the performance and exercise of the powers of the County Government under the forth schedule.

County Assembly while respecting the principle of separation of powers, may exercise oversight over the County Executive Committee and any other County Executive organ. These Committees will help to organize the most important work of this Assembly considering shaping and passage of Bills and other legislative documents, programmes and activities within jurisdiction and in determination of any matter that may come to the deliberation of this House.

On behalf of the members of the Committee on Selection and pursuant to the provisions of the Standing Order No. 160 (1) states that the Committee on Selection shall within five days upon nomination of members to serve in any committee of the House, present the list to the House of Approval.
