COUNTY ASSEMBLY OF SAMBURU
SECOND ASSEMBLY
(SECOND SESSION)
REQUEST FOR STATEMENTS

Honorable Speaker,

Pursuant to Standing Order 43(2)(c), I hereby request for a statement from the Chairperson of the Committee on Lands, Physical Planning and Urban Development in regards to the status of the transfer of the Lands registry from Nyahururu to Maralal

Honorable Speaker,

Pursuant to The Constitution of Kenya 2010, Schedule 4(8) land survey and mapping was one of the devolved function of the county government under the department of lands and land registry falls under the land survey and mapping function.

Honorable Speaker,

People of Samburu County have suffered for a very long time due to inaccessibility of the land registry that was situated in Nyahururu therefore making it difficult for both land owners and investors to do land transactions. It comes as good news that the land registry services are now available at the county headquarters.

Honorable Speaker,

In view of this, the Chairperson should inquire into and report on;

1. What is the status of the land registry transfer?
2. When and how the land registry will start running?
3. When will the digitalization of the land registry happen?
